Dear Sir/Madam:

Students from the Salitre School in Bogota, Colombia were scheduled to arrive from Colombia on Air Canada Flight AC95 on July 6, 2026, in time to commence their summer ESL programme at Academie Ste-Cecile International School.

Due to the cancellation of their flight on July 6, 2026, the students arrived in Canada on Flight AC2395 on July 7, 2026. Consequently, this flight delay resulted in the students missing the first day of their ASCIS programme at a loss of two hundred and fifty dollars (\$250.00) per student the amount of which each student is claiming a reimbursement from Air Canada.

Regards,

Therese H. Gadoury
